CLERK: 32 ayes, 0 nays, Madam President, on the advancement of LB 333.

SENATOR SCHIMEK: Items for the record, Mr. Clerk.

CLERK: Madam President, new A bills. (Read LB 66A and LB 85A by title for the first time.) Your Committee on Transportation, chaired by Senator Baker, reports LB 561 to General File; LB 562, General File; LB 563 to General File. An amendment to be printed, by Senator Baker, to LB 295. And hearing notices from the Appropriations Committee and Retirement Systems Committee. And finally, Senator Stuthman to add his name to LB 332; Senator Bromm to LB 332; Mr. President to LB 754. That's all that I have, Madam President. (Legislative Journal pages 419-422.)

SENATOR SCHIMEK: Thank you. The Chair recognizes Speaker Bromm for a motion.

SPEAKER BROMM: Thank you, Madam President. Before making the motion, I'd just like to tell the members that it will be our plan tomorrow to go back to Select File. There's quite a few pieces of legislation now on Select File. So you can kind of keep that in mind. And we'll have the agenda out just rather soon here. With that, I would move that we adjourn till February 5 at 9:00 a.m.

SENATOR SCHIMEK: It's been moved that we adjourn until tomorrow at 9:00 a.m. All those in favor say aye. All those opposed nay. We are adjourned.
